

Hualalai 'Ohana Foundation

The Hualalai Ohana Foundation's Board of Directors is pleased to announce the hiring of **Cara Price** as our new Executive Director.

Cara has been an employee with the Hualalai Resort and now the Four Seasons for nearly three years. During her tenure, she has served as a Club Concierge team member and supervisor. She has become very familiar with the Hualalai Resort residents and knows many of the vendors and frequent visitors to our beautiful island and resort. Prior to coming to Hualalai, Cara has extensive experience in the hospitality industry. Cara also has non-profit fundraising experience and is entrepreneurial, having run a small family business.

Donna Chipps, the Hualalai Ohana Foundation's President states: "We are thrilled that Cara Price will be joining our Foundation ohana as our new Executive Director. She comes to us with the right combination of experience and compliment of skills to hit the ground running. Her familiarity with our Hualalai residents will very much help her in her new role as Executive Director as our residents are our primary donors to our Hualalai Ohana Foundation."

Ray Lager, the Hualalai Ohana Foundation's Immediate Past President further explains: "Cara will be a wonderful edition. She brings a tremendous compassion and enthusiasm that will serve her well as our new Executive Director. Cara's desire to build on Foundation's already good work and to make the Foundation even more indispensable to the lives of our employees and their families, is exactly what we need at this juncture in our organizational growth."

Ms. Price will formally join the Hualalai Ohana Foundation on February 23, 2015.

Please join the Hualalai Ohana Foundation Board of Directors in welcoming Cara Price to our ohana.

Any questions you may have can be directed to Donna Chipps, President through the Hualalai Ohana Foundation office number, 808-325-4701.

Our Mission Statement

The Hualalai 'Ohana Foundation strives to support the educational goals and exceptional medical needs of our employee families, while providing a vehicle to allow residents opportunities to contribute to the well-being and aloha spirit of our uniquely blessed community.
